Message from Management

Sri G M Lingaraju
Secretary

Sri G M Prasanna Kumar
Chairman
At the outset, we congratulate the ISE Department and Specially the Newsletter Committee Members for their efforts in bringing out the Newsletter. Newsletter is an amalgamation of all the events held in the department and it plays an instrumental role in providing a greater exposure of the achievements accomplished by the students and the faculty. We wish all the very best in your endeavors.

Principal's Message:

As students are the members of a progressive society, teachers are the architects of a country. The true education should deepen our insight, widen our horizon and create a meaningful outlook. Equally the students are fortunate enough to have born in a free nation, with all the facilities to shape their career in such a way, that they should be part of a good and healthy society with progressive attitude towards divinity.

HOD's Message:

My appeal to my dear students is to attend all classes, make use of library extensively and read textbooks regularly take part in technical paper presentations and seminars and undergo training in various skills sets, so that, they will not face difficult times in their professional career since, they will be mostly on standalone mode. In this respect, I humbly request the parents and guardians to show more interest in their ward's day to day activities and overall performance.
