GM INSTITUTE OF TECHNOLOGY

Post Box No.4, P.B. Road,
Davanagere, Karnataka 577006

www.gmit.ac.in

GM Central Library :

The '**GM Central Library**' in GM Institute of Technology, Davanagere, will be inaugurated by Honourable central Home Minister - **Shri Amit Shah**. The event will be held with the noble presence of the Chief Minister of Karnataka **Sri. Basavaraja Bommai**.

GM Institute of Technology was started in Davanagere in the year 2000 by Sri Shaila Educational Trust (R) Bheemasamudra, Chitradurga District. GM Institute of Technology has seen tremendous growth over the last 20 years. Initially, it had 240 students with 4 departments, and now it offering quality technical education to about 2500 undergraduate and postgraduate students. Proportionate to the number of students, all modern educational facilities are being provided to students in the 54 acres of land.

As per the need for student strength, an exclusive central library with more sophisticated facilities is now ready for the inauguration. The building is 1744.5 sq. feet spaciouly built in the wide area of 48,400 sq. feet of space and has an estimated cost of 9 crores. The building has 4 floors. The building has all the modern amenities such as an exclusive library, journals section, bibliography, e-library, researcher's library, audio & video section, and conference rooms.

The building is a proud remark in the aspiration of Late **sri. G. Mallikarjunappa**, the then honorable MP of Davanagere Loka Sabha constituency, to provide better technical education and sophisticated knowledge to rural and backward students. It is already renowned as the best technological college in central Karnataka.

GM Institute of Technology is affiliated with VTU and approved by AICTE. The institution has proven its high quality by being approved by top nationally recognized agencies such as NAAC, NBA, and ISO (ISO 9001: 2015).

Shri G M Prasanna Kumar, Chairman of the Shyla Educational Trust, **Shri G M Lingaraju** as the Secretary and **Mr. G S Anith Kumar** being the Treasurer, are working hard for the progress and success of the organization.

Bio - Codes : Resource Person :

Dr. Gurumurthy D M was invited as a Resource Person/speaker for the Five-day Online Faculty Development Program (FDP) “**Recent Advances in Science, Technology, Engineering and Mathematics (STEM)**” from 16th – 19th and 23rd August 2021 organized by the School of Allied Health Sciences, REVA University, Bengaluru. Dr. Gurumurthy has delivered a talk on the topic “**Advances in Extremophilic Research**”.

Faculty Publications :

Mr. Ganesh Tilve. Published a research paper titled “**InVitro Morphogenesis and Molecular Analysis in Coffee**” in International Journal for Innovative Research in Science and Technology, Volume 8, Issue 2, July 2021 (ISSN- Online: 2349-6010).

IJRST – International Journal for Innovative Research in Science & Technology | Volume 8 | Issue 2 | July 2021
ISSN (online): 2349-6010

InVitro Morphogenesis and Molecular Analysis in Coffee

Prof. Ganesh G. Tilve
Assistant Professor
Department of Biotechnology
G.M. Institute of Technology, Davangere, India

Dr. Gurumurthy H.
Professor
Department of Biotechnology
G.M. Institute of Technology, Davangere, India

Naveen K. H
Department of Biotechnology
G.M. Institute of Technology, Davangere, India

Faculty Development Program :

1. **Mr. Ganesh Tilve** has Attended five-day online Faculty Development Program (FDP) on “**Recent Advances in Science, Technology, Engineering and Mathematics (STEM)**” organized by the School of Allied Health Sciences, Reva University, Bengaluru from 16th to 23rd August 2021

2. **Mr. Ganesh Tilve** and **Mrs. Deepthi Pallela** has Attended five-day online Faculty Development Program (FDP) on “**Frontiers of Biological Research: Challenges And Opportunities**” organized by Amity Institute of Biotechnology, Amity University, Kolkata from 13th to 18th August 2021

3. **Mr. Ganesh Tilve** attended the Virtual Faculty Development Program (VFDP) “**Skills for Evolving Education System**” scheduled from 23rd to 27th August 2021 organized by ICT Academy in association with Bangalore University.

Mr. Ganesh Tilve has attended AICTE Sponsored One Week Short Term Technical Programme (STTP) on “**Start-up driven Bio-innovation and IOT for Sustainable Agritech**” organized by the Department of Biotechnology, The Oxford College of Engineering, Bommanahalli, Bangalore from 23rd August to 28th August 2021

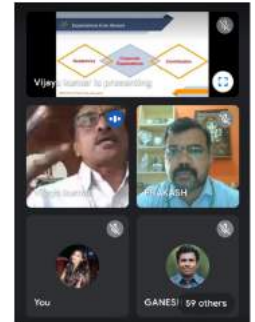

Mr. Ganesh Tilve has attended “**Training and Project Awareness**” webinar titled “ How to read Scientific Literature and Introduction to MANAV- The Human Atlas Initiative” organised by Amity Institute of Physiology and Allied Sciences, Amity University, Noida (Uttar Pradesh) under Project Manav- The Human Atlas Initiative funded by Department of Biotechnology, GOI and co-funded by Persistent Systems on 21st August, 2021 Key speaker: Dr. Anupama Harshal W., IISER Pune

Department Alumni Meet 2021:

Department of Biotechnology has successfully organised Online Department Meet-2021 on Sunday, 29th August 2021 at 11 AM as Department Alumni Co-ordinator. Totally 58 alumni attended the event from 2006 to 2020 output batch and shared their memorable experiences with GMIT, about their current workplace and interacted on how the academia- industry collaboration would help current students.

KSCST Project Presentation :

Student project work entitled “**Extraction of Anti-odour compound from Arabidopsis thaliana and treating foul smell in recycled sewage water**” was Evaluated by the KSCST expert committee on 17th August -2021. The group is headed by **Dr. Gurumurthy H.**

Mr. Rakesh N R, Research Scholar (4GM17PGA003) Department of Biotechnology as successfully completed the Open Seminar of his Ph. D Work on 23rd August 2021 Forenoon.

GMIT product Expo - 2021 :

All the faculties and staff of the Department of Biotechnology have participated in The **GMIT Product Expo 2021** organized on 06th August 2021 . Total of 9 ready to market products were demonstrated during the Expo. Two products were listed as best products and awarded a cash price. The department congratulates **Mr. Rakesh N R** and **Mrs. Deepthi Palleda** and their respective project students for receiving the best two product category.

Smart - Civil :

Farewell to final year students and Technical Interactive Session was organized by Department of Civil Engineering on 05-08-2021. The event focused the technical aspects in construction industries by our alumni Mr. Ranjan D S, Managing Director, RV Consultant and Services, Channagiri.

Cache - CSE :

Mr. Aruna Kumar B T, Assistant Professor of the department has successfully completed his Ph.D. Comprehensive Viva Voce on 18th August 2021 on the research work titled "Performance of video quality metrics assessment in AVC and HEVC coded Videos". Aruna Kumar B T is pursuing his Ph.D. in Recognized Research Center, UBDTCE, Davangere from Visvesvaraya Technological University, Belagavi under the guidance of Dr. Manjanaik N, Professor, UBDTCE, Davanagere

Under the scheme of AICTE's Margadarshan and Margadarshakshare and mentor Institution, **Dr. Sharvani**, Associate Professor from RVCE Bangalore has visited and conducted a compliance report and external academic audit on 27.08.2021.

Computer Science & Engineering Alumni Meet – 2021 :

To strengthen the relationship with alumni of the department, an Alumni meet has been conducted online on 22.08.2021. This event was organized and conducted by Santoshkumar M and Dr. Shivanna K. Alumni were expressing their thoughts and ideas to improve and develop the teaching-learning environment to focus more on industry requirements based on their experience. Further, they were suggesting their juniors appear for Mock Interviews, Technical talks, and more in forum Activities. Around 70 Alumni were present and given suggestions during the alumni meet.

Dr. Y. Vijaya Kumar, Principal narrated the recent development taken place in institution, including MoUs, Center of Excellence and Research Centers. Sir has given information regarding institution ratings in Times of India, Outlook Express, and The Week magazine. Also he requested alumni to join their hands in the progress of the department and institution.

Dr. Sanjay Pande M B, Professor and Head of CSE has discussed about the initiatives and activities conducted in the department such as NPTEL online course, Infosys foundation programme, Koushalya – Soft Skills Training for Students. Also he emphasized about process taking place for the university status of the Institution in coming days.

The alumni meet has started with invocation by Deepa G of 6th Semester and Vote of thanks was delivered by Mr. Kotreshi S N and the MOC was done by Mr. Rudresh N C.

Principal Dr. Y Vijaya Kumar addressing the gathering

HOD Dr. Sanjay Pande M B addressing the Alumni

More than 70 Alumni has attended the meeting

Mr. Shazib Khan giving the suggestions regarding placement activities

Mr. Krishna Wadone giving suggestions to include soft skills in 3rd semester

Mr. Sachin R addressing the Alumni Meet regarding Entrepreneurship

Patent Filing :

Mr. Niranjana Murthy C, Assistant professor, Department of Computer Science and Engineering has filed an Innovative Patent on “**Dry Land Agriculture and Yield Gap Analysis by Machine Learning Algorithms using IOT sensors**” on the 25th of August 2021 bearing patent number 2021104029. Management, the Principal, HoD, and all the staff members congratulated the achievement.

Mr. Santoshkumar M, Assistant Professor has attended an International STTP on “**Advanced Application in Artificial Intelligence and Machine Learning**” which is organized by MarathwadaMitraMandal Institution, Pune from 2nd to 6th August 2021.

The project work titled “**FACE MASK DETECTION AND THERMAL SCANNER FOR COVID CARE**” was conducted by **Karthik M Hadagali, Pradeep Kumar B S, Ritika Reddy V B, Priyanka M N** (Final Year students of AY 2020 – 21) under the guidance of **Mr. Sandeepa G S**, Assistant Professor has been exhibited and received the Best Product Award in **Product Expo 2020-21** organized by GMIT, Davanagereon 06th August 2021. The principal, HoD, and all the staff of the department has congratulated the achievement.

Mr. Sandeepa G S, Asst. Prof., has published a paper entitled “**FACE MASK DETECTION AND THERMAL SCANNER FOR COVID CARE**” in International Research Journal of Engineering and Technology, Volume 8, Issue 8, August 2021 <https://www.irjet.net/volume8-issue8> S.No: 380

Mr. Sandeepa G S, Assistant Professor has attended AICTE sponsored Online Short Term Training Programme on Focuses on Learning the Scope of Security Aspects and Applications organized by the Department of Information Science & Engineering, NMAM Institute of Technology, NITTE from 22nd to 31st of July 2021.

E - Learning :

Dr. Praveen J, IQAC-Director, Professor & Head, Dept. of ECE, **Dr. Latha B M**, Associate professor, and **Mr. Rajappa H S** Assistant Professor, Dept. of ECE, Successfully submitted Outcome Base Education (OBE) world Ranking on 26/8/2021.

Five Day AICTE-ATAL FDP :

Dr. Praveen J, IQAC-Director, Professor & Head, Dept. of ECE received Rs. 1 Lakh funding as Principal Investigator (PI), **Mr. Rajashekhar Kunabeva**, Assistant Professor, Dept. of ECE, **Mr. Sharanabasaveshwara**, Assistant Professor, Dept. of ECE as Co-Principal Investigators (Co-PI)

from AICTE ATAL to conducted online FDP on “**VLSI-IP Design Approach to SRAM compiler design**” on 16/8/21 to 20/8/21 in association with **Semiconductor Design**, # 49, Gedeelahalli, Sanjay Nagar, Bangalore. The FDP consisted of 15 sessions and 14 sessions were handled by a Company resource person from Inohmic Technologies, Bangalore. Among them, one resource person was Mt. Thoan from Vietnam. The last session was on Stress management during Covid and it was handled by Dr. Manjunath from the MBA dept. GMIT. 19 Participants were from the Department of ECE, GMIT all the 19 participants completed the FDP and obtained the certificate. Totally 200 participants were registered for the FDP from distinct corners of the contry as below

Participant State	No. of Participants
Karnataka	148
Andra Pradesh	15
Telanagana	10
Tamilnadu	10
Uttar Pradesh	4
Delhi	3
West Bengal	2
Maharastra	2
Gujarath	1
Kerala	1
Odisha	1
Punjab	1
Utharakand	1

Coordinators of ATAL FDP

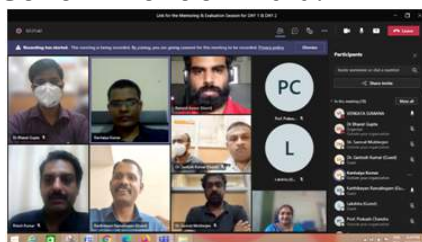

Dr. Praveen J Mr. Rajashekhar K

Mr. Sharanabasaveshwara H B

Mrs. Venkata Sumana C H Judge for Toycathon- 2021 :

Mrs. Venkata Sumana C H the faculty of Department of Electronics and Communication Engineering, GMIT was selected as the Judge for Toycathon-2021 a National Event organized by Central Government of India.

Certificate Of Completion :

Mr. Chetan B V the faculty of the Department of Electronics and Communication Engineering completed online training on “**Become an Arduino Developer**” at LinkedIn Learning on 29/08/2021.

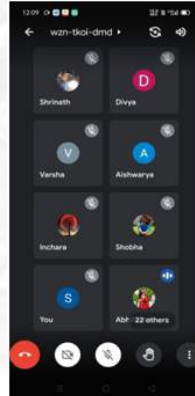

Mr. Sampath Kumar B project mentees bagged 2nd Prize at Product Expo-2021

Smart Weather Monitoring and smart irrigation control system using multi-sensors in multi localities Project got Second Prize in **PRODUCT EXPO 2021** Organized by GMIT Davanagere On 6th August 2021. The project associates are **Aishwarya I Ganiger, Ashwini M Koppad, Abhilasha A Myakalamardi and Avinash Y**. Under the Guidance of **Mr. Sampath Kumar B**, Assistant Professor, Department of ECE.

Webinar organized by Mr. Sampath Kumar B :

The Department of Electronics and Communication Engineering has conducted a webinar on “**Road Map to a Successful Campus Placement**”, for Pre-final year Students on 18th August 2021 at 10:30 am. **Mr. Sampath Kumar B**, Dept. Placement Coordinator guided students on the Recruitment process and career guidance that helps in shaping the career of students, **Mr. Tejasvi Kattimani T R**, Training and Placement officer addressed Eligibility criteria, upcoming companies, and opportunities for students for 2022 students and boosted their confidence.

Final year outing going students of batch 2021, **Aishwarya I Ganiger, Sushma G R, Divya J Bethur, Srinath S Devdas, Abhilasha A Myakalamardi, Ashwini M Koppad, Samanwitha R, Inchara M S** had shared their experience on placement and gave guidance for better improvement to their juniors. They also suggested various Websites,

YouTube channels, books, and the importance of workshops and Training conducted by the college. This webinar was able to complete successfully with the support and cooperation of **Dr. Y Vijaya Kumar**, Principal, and **Dr. Praveen J**, Head of Dept. of Electronics and Communication Engineering, and active participation of Pre final Year Students.

Mr. Sampath Kumar B mentees attended a seminar in IETE Zonal Level :

Ashfa M Nadaf and Nagashree K Madival, Second-year students of ECE Dept. Participated in “IETE Zonal Seminar on IoT and Applications” and presented a Seminar on “**Smart Energy Efficient Home Automation Using IoT**” Organized by GSSS Institute of Engineering and Technology for Women Mysore. On 3rd August 2021. Under the Guidance of **Mr. Sampath Kumar B**, Assistant Professor, Department of ECE.

Mr. Sampath Kumar B, Assistant Professor, Department of Electronics and Communication Engineering published a **Scopus** Indexed Journal in Turkish Online Journal of Qualitative Inquiry (TQJQI) on IoT and RFID based Effective Smart Kiosk Ration Card. The Journal is publication detail is Volume 12, Issue 3, July 2021: 2938-2945(TQJQI).

PLACEMENT ECE-2021 :

Everyone encourages success, but only you can encourage yourself on the way to it! With the help and support of our Institute and Training & Placement cell, the Department of Electronics and Communication was able to facilitate students to explore the world of employment and new career avenues. It also helped students in career planning, professional development by training them to move into the desired occupation. It is a success, department truly deserved. It is an achievement department has earned by 150 offers in the placement of 2021. Dr. Vijaya Kumar – Principal of GMIT, Prof. Tejasvi Kattimani T R – Training and placement Officer, Dr. Praveen J- Head of Department, prof. Sampath Kumar B - Dept. placement Coordinator and all the teaching and non-teaching faculties of the department would like to congratulate all the placed students of department on your success and wishing you all thebest for your future.

Certificate Of Participation :

Mr. Raviteja Balekai of GM Institute of Technology has actively participated in Faculty Development Programme on **“How to build Mathematical Model for Computer Science Research Problem”** organized by Centre of Excellence for Intelligent Human-Computer Interaction, Research Centre, Department of MCA ,CMR Institute of Technology, Bengaluru-37 On Thursday, 26-August-2021.

Mr. Rajappa H S & Mr. Rajendra Saloni Participated & completed successfully AICTE -

Training And Learning (ATAL) Academy Online Elementary FDP on "Antenna: Design, Fabrication and Measurement" from 2-8-2021 to 6-8-2021 at G B Pant Institute of Engineering and Technology.

Mr. Rajashekar Kunabeva, Assistant Professor, Department of Electronics and Communication Engineering presented a paper at the 2nd International conference Data Intelligence and cognitive Informatics on 16-17 July 2021. The title of the paper is “In-node Adaptive compressive sensing technique for EEG signal in WBAN”. The article will be published as BOOK Chapter in Algorithms for Intelligent systems (SpringerBook Series)

Patent Filed by Mr. Rajendra S Soloni

MACHINE LEARNING AND FUZZY LOGIC BASED SMART DETECTION OF CHRONIC LUNG CANCER.

Date of filing of Application: 25/07/2021

Publication Date: 06/08/2021

Application No. 202141033357 A

PUBLICATIONS :

Harshitha C, K Tejashwini and Lavanya C J, students of the final year have published a paper titled, "Smart System for Monitoring Grain Stock", in International Research Journal of Engineering and Technology (IRJET), Vol. 8, Issue 8, pp 2026-2030, e-ISSN: 2395-0056, August-2021, under the guidance of Mr. Raviteja Balekai, Assistant Professor, ECE.

Mr. Sharanabasaveshwara H B, Assistant Professor, Department of Electronics and Communication Engineering published a **Scopus** Indexed Journal in Turkish Online Journal of Qualitative Inquiry (TQJQI) on Supervised Machine Learning Techniques for Sentiment Analysis and its Application in Image Processing and Remote Sensing. The Journal is publication detail in Volume 12, Issue 7, July 2021: 5759-5775(TQJQI).

Talk by Mr. Vikas C Yatnalli as Resource Person Jain Engineering College Hubballi :

Mr. Vikas C Yatnalli, Assistant Professor, Department of Electronics and Communication Engineering was a resource person for the technical talk on "IoT and Artificial Intelligence" jointly organized by VR-AMPS LAB and JCET, Hubballi, held on 24th August 2021 at Jain College of Engineering and Technology, Hubballi

Under the coordinatorship of **Mr. Vikas C. Yatnalli**, **Ms. Ashfa Nadaf** and **Ms. Bhanushree K.M** of the 4th semester have successfully completed the Student Partner Internship at Inventrom Private Limited for the duration of 2 months from 14/06/2021 to 13/08/2021. During this internship, the tasks undertaken were to popularising the concepts of the Internet of things (IoT) and Machine Learning (ML), brand awareness, and business development of the Bolt IoT and ML video training.

ISE - e :

International Hackathon :

The department of Information Science & Engineering has conducted an online “**International Hackathon**” from 14th to 16th August 2021 in association with BPA Labs, Czech Republic, ISTE GMIT & IQAC GMIT, Davangere. About 40 Teams Participated from different colleges & Also GMIT Alumni have attended this Hackathon. The event was coordinated by Mrs.Nasreen Taj M B, Mr.Imran Khan, and Mr.Firoz Khan. A cash prize of Rs.20000/- has been announced to winning team.

Codethon & Quiz Prize Distribution:

The department of Information Science & Engineering has conducted prize distribution for “**Codethon & Quiz**” in C programming language which was conducted on 26th & 27th of July 2021 in association with Sookshmas E-learning Private Ltd, Bengaluru & IQAC GMIT, Davangere. The event was coordinated by **Mr. Naveen RCM, Mrs. Asha K & Mr.Keerthi Prasad G.**

Alumni Meet-2021:

The department of Information Science & Engineering has conducted an online “**Alumni Meet-2021**” on 28th August 2021. About 70 Alumni from different batches have joined the meeting. **Dr. Y Vijaya Kumar**, Principal, GMIT, Davangere addressed the alumni and given information about college progress and achievements in recent years such as college ratings in Week Magazine, Outlook Express, Times of Indian & given information about MOU’s, Patents registered & granted, placements statistics and expectation from alumni. **Dr. Sunil Kumar B S**, Professor & Head, Dept of ISE, addressed the gathering and discuss the importance of alumni In the growth of the Department/ Institution. He has also expressed how alumni can contribute with their knowledge, contacts & experience in overall growth. The event was coordinated by **Mrs.Nasreen Taj M B** and **Mr.Imran Khan.**

FDP Participation:

Dr. Sunil Kumar B S has attended a five days FDP Online organized and conducted by ICT Academy. The FDP was conducted during 23rd Aug 2021 to 27th Aug 2021 in total of 12hrs was very much practical and the speaker could able to convince the technology comprehensively on various topics viz: Cyber Attacks, Tools, Social networks.

Placement Activity:

The Departmental Placement cell has conducted a discussion on “**Tips on TCS Ninja Campus Drive**” on 23rd August 2021 for 7th-semester students. The session was presented by alumni Tejaswini R (2019-20 output) & Vinanthi (2020-21 output). The event was coordinated by Mrs.Asha K.

Mech - Tech :

Online and offline “**Alumni Meet-2021**” is organized by the Department of Mechanical Engineering, G M Institute of Technology, Davangere on Saturday, 7th August 2021 at 11:00 AM. Totally there are 87 alumni’s are participated.

Internship Activities for the Academic Year 2021-2022

Department has initiated an internship program for the academic year 2021-2022. The student’s undergone internships at different companies /Organizations like GTTC Harihar, GTTC Mysuru, Deepa Engineers Harihar, HHP Diesel Loco shed Hubballi, GRASIM Industries Pvt. Ltd. Kumarapattanam, Shanthala Machining Technologies Pvt. Ltd. Shivamogga, Velkast Foundry Harihar etc. Reported by Dileepkumar S G, Assistant Professor, Internship Coordinator

Velkast Foundry Harihar

HHP Diesel Locoshed Hubballi

FKCCI-MANTHAN - 2021

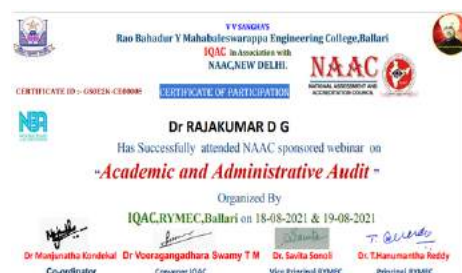

A team comprising of Six UG students (4 from CS&E and Two from ME Branch) and three faculty members have taken part in the second-round business plan presentation of 13th Edition FKCCI-MANTHAN-2021 held at FKCCI Building Bangaluru on 17th August 2021.

Dr. Rajakumar D G, Professor Department of Mechanical Engineering participated in a Two-day webinar on “**Academic and Administrative Audit**” organized by IQAC, RYMEC, Bellari from 16th August to 17th August 2021.

Faculty Publications:

Mr. Harsha H. M, Hanumantharaya Rangaswamy, Manjunath Patel GowdruChandrashekarappa, Danil Yu Pimenov, Khaled Giasin, Szymon Wojciechowski,"Experimental investigation and optimization of compression moulding parameters for MWCNT/ glass/kevlar/epoxy composites on mechanical and tribological properties", Journal of materials research and technology 2021; 15:327-341

Department of Mechanical Engineering has organized promotional activity on 28th and 29th of August 2021 and visited around 32 CET Centres of various places in mid part of Karnataka.

Department of Studies in Management:

Dr. Ravi Kumar. C Actively Participated as the Session Chair at the 2nd International Conference on “Emerging Trends in Science, Engineering and Management - 2021” Organized by GMIT on 16th & 17th July 2021.

Dr. Ravi Kumar. C & Dr. Prabhakara. T Actively Participated in Online Workshop on ‘IPR’ for Management Institutions Organized by IBMR and AIMS on 5th August 2021.

Dr. Ravi Kumar. C Actively Participated in Capacity Building Series Knowledge on 8th August 2021.

Dr. Manjunath B. R Actively Participated in Online Workshop on ‘IPR’ for Management Institutions Organized by IBMR and AIMS on 05th August 2021

Dr. Ravi Kumar. C Actively Participated in Online National Webinar on “Financial Planning & Investment Opportunities including Mutual Funds” Organized by Anandi Shikshan Prasarak Mandal’s and AMFI on 13th August 2021.

Dr. Prabhakara T Actively Participated in “FDP on Introduction to Econometrics using E-Views” from 02 to 7 Aug 2021

Dr. Prabhakara T participated in One Week Workshop on “Econometrics using Eviews” Organized by Centre for Sustainable Development & Policy Research Analysis, New Delhi

Dr. Prabhakara T & Dr. Ravikumar C Actively Participated in “Emergence of Blockchain Technology and Cryptocurrencies ” Organized by IITM Janakpuri New Delhi from 9 to 14 August 2021.

Dr. Ravi Kumar. C Actively Participated in “Academic and Administrative Audit” Organized by Rao Bahadur Y Mahabaleswarappa Engineering College, Ballari on 18th & 19th August 2021. (Pic - 1)

Dr. Ravi Kumar. C Actively Participated in “Changing Dimension of IPR in India – An Intellectual Deliberation” Organized by IQAC JAIN College, Bangalore from 12th to 17th August 2021. (Pic - 2)

Dr. Ravi Kumar. C participated in the International Research Summit AVLOCAN 2021 Entitled “Redefining Social Responsibility and Ethical Leadership” Organized by Faculty Research Cell Gyanidhi & SRDC CMS-JAIN. (Pic - 3)

Dr. Ravi Kumar. C participated in the Webinar on “Financial Freedom after knowing the basics of capital Markets” in collaboration with CDSL & BSE on 14th August 2021.(Pic - 4)

Pic - 1

Pic - 2

Pic - 3

Pic - 4

Dr. Manjunath B. R Conducted a Workshop on “Stock Market Operations and Capital Budgeting” on 27th August 2021.

Dr. Manjunath B.R gave a talk on “Stress Management during COVID-19 Pandemic” AICTE Training and Learning (ATAL) Academy on 20-08-2021

Dr. Manjunath B. R Organized a Webinar on “Stock Markets” in Association with SHINE Projects A part of NSDC Initiative on 28th Aug 2021

Department of Basic Sciences :

Paper Published :

Dr. Swaroop K., Assistant Professor, Dept. of Physics has published an article entitled “Studies on the effects of Fe₃O₄-PbO combinations in peroxide vulcanization of EPDM and shielding 59.54 keV gamma rays” in Scopus indexed journal, Radiation Effects and Defects in Solids (Taylor and Francis).

Review Certificate :

Dr. Santhosh BM, Asst Professor, Dept. of Chemistry has received ‘Review Certificate’ for his contribution as a Peer Reviewer of the 8th Global Conference on Polymer and Composite Materials (PCM 2021).

Dr. Shanmukha B. Assistant Professor, Department of Mathematics has published research article entitled “M-projective curvature tensor on an $(LCS)_{2n+1}$ -manifold” in Scopus Indexed Journal “Journal of Applied Analysis”.

Abstract

In this paper, we study M-projective curvature tensors on an $(LCS)_{2n+1}$ -manifold. Here we study M-projectively Ricci symmetric and M-projectively flat admitting spacetime.

Participated in STTP :

Dr. Onkarappa H. S. Assistant Professor, Department of Chemistry has participated in One Week STTP Program conducted by UBDT College of Engineering Davangere.

Participated in FDP :

Dr. Onkarappa K. S (Professor), **Dr. Manjula G. M.**, **Mrs. Savitha K. C.**, **Mrs. Jyothi Banakar**, **Mrs. Veena C. M.** Assistant Professors, Department of Mathematics, have participated in Five days FDP on “Mathematical Developments in Cryptography and Data Science” Conducted by MSRIT, Bangalore.

Department of Training & Placement :

Chairman Sir's Birthday Celebration:

Celebrated birthday ceremony of our beloved chairman Shri. G M Lingaraju Sir on 15th August 2021.

Principal Sir's Birthday Celebration:

Celebrated birthday ceremony of our beloved Principal Dr. Y Vijaya Kumar Sir on 15th August 2021.

The Week Magazine Ratings:

GMIT has received THE WEEK Magazine rating for the academic year 2021. 129th position in All India, 79th Position in South India and 19th position in Karnataka. And happy to share you that placement department has crossed 5000+ Offers from the 16 year of campus placements.
